Local Girl Played on Longwood Team

FARMVILLE - Connie Murray of Pamplin played on the 1978-79 Longwood Lady Lancer basketball team, which recently concluded its season.

Coached by Carolyn Hodges, the team had an overall record of 7 wins and 16 losses during this rebuilding year. The Lady Lancers were a "short" team by VAIAW Commonwealth Division standards and played a touch schedule that included 2 nationally-ranked schools, Old Dominion University and High-point College, as well as other top-notch teams. Hodges hopes that this year's experience has produced a core of capable returnees for next year's squad and that her recruiting will add some height to round out the lineup.

Murray, a 5'1" guard, averaged 0.5 rebounds and 0.4 points per game this season for the Lady Lancers. A freshman physical education major, she attended Appomattox County High School, where she lettered in volleyball, basketball, and softball. She is the daughter of Mr. and Mrs. James T. Murray.
